Subject: EPA's draft Agenda for Wednesday Pend Oreille Meeting

Here is EPA's turn at a draft agenda for our meeting on Wednesday.

Pend Oreille River Temperature TMDL Status Meeting

Seattle, WA • August 28, 2013

Starting at 10:30 am PST

EPA, Room 12B or 15U

-

Draft Agenda:

-

- Introductions
- Statement of Meeting Objectives and Background by EPA
- Brief statements by Kalispel Tribe, Ecology if desired
- EPA Summary of Technical Issues: CFA, Time-lag, Border condition (reference EPA analyses provided to Ecology and the Tribe on 5/29/13)
- Discussion and feedback on technical issues from Tribe and Ecology
- Statement of Parties' Interests
- Identification of potential solutions and path forward
- Next steps
